

## MEDIA RELEASE

12 June 2018

### 3<sup>rd</sup> CSC SUPER JUNIOR SWIMMING INVITATIONAL

Chinese Swimming Club (CSC) is pleased to announce the hosting of the 3<sup>rd</sup> CSC Super Junior Swimming Invitational. After 2 consecutive years of successful hosting of the signature event, in 2016 and 2017, this year it will take place on the weekend of 30 June and 1 July 2018.

To host the event, CSC will partially shut down activities and facilities in its 10,308 sqm Sports Complex to facilitate the smooth running of this Competition. The core objectives of this competition remain unchanged as followings:

1. To provide additional racing opportunities for competitive swimmers 12 years old and below in the second half of the calendar year.
2. To foster better relationships among local swimming and foreign clubs.
3. This meet will act as a selection trial for the annual Junior Inter Club Meet for not only CSC, but also for other local clubs.
4. To establish a showcase event in the local and regional swimming calendar annually.

CSC has made noteworthy headway in championing these goals as we have received signed ups from more than 500 swimmers. To-date we have 23 local clubs/schools and 11 overseas clubs from the following countries namely: China, Vietnam, Malaysia, Thailand, India, Brunei and Indonesia taking part in the meet. We are still expecting more swimmers from various local and foreign clubs to sign up for the meet to reach our target of 550 swimmers.

CSC looks forward to host this annual flagship event that provides a platform for young swimmers from both local clubs and clubs from the regions to meet and compete.

We would like to invite all friends from the media to attend the Meet to support the sportsmanship of these young swimmers and also experience the excitement of the event.
