SWIM SAFER

SwimSafer™ 2.0 is a Sport SG programme that aims to teach swimming proficiency and water survival skills to children to minimize drowning incidences in a fun manner.

The six-stage programme includes survival and activity skills, with each stage working progressively towards the next. On 26 to 29 November 2019, CSC qualified SwimSafer coaches taught 70 children at Bronze, Silver and Gold stages before each child was then assessed by independent Swimsafer assessors. The following were successfully awarded; 17 Gold, 17 Silver and 31 Bronze.
