Dear Members

2021 is drawing to a close, and what a year it's been. While the pandemic rages on, we're incredibly fortunate to have been able to continue many Club activities safely while making swift (and sometimes overnight) operational adjustments to ensure compliance with ongoing regulatory changes. Our Club has hence remained a thriving social enclave for members, and for that, there is much to be thankful for. Let us thus ring in the holiday season with gratitude.

Celebrations may be muted compared to years past, but our team has nevertheless put together a fantastic array of events for you and your loved ones, to spread the festive cheer. We will kickstart the yuletide magic with our highly anticipated Christmas tree light-up on 25 November. To ensure our community remains safe, members are invited to partake in this symbolic event via Facebook. Of course, no celebration is complete without a feast to match. In December, treat your family to a traditional Christmas set dinner from Man Zhu, or make gift shopping stress-free by selecting from our range of festive wine hampers. Kids won't be left out with our medley of holiday programmes ranging from Christmas craft workshops and baking classes to exclusive photo opportunities with the CSC Santa family. You can find out more about these activities in the following pages. It's an excellent slate, and I would like to say a special thank you to our team for bringing to fruition these wonderful programmes to light up our members' year-end calendars.

As we move into the new year, members can look forward to more enhancements to their membership at the Club. Group fitness enthusiasts will be pleased to learn that we will be launching the all-new CSC Exercise Flexi-Pass this month. Each prepaid Flexi-Pass provides discounted access to 10 classes, with up to 14 types of exercise classes (or a total of 31 classes a week) to choose from, and even more new classes in the pipeline. Mingle@Amber usage continues to see steady growth since its inception. From 1Q 2022, we will provide members with more reasons to patronise with the expansion of our Grab & Go offering by over 70 new items including pastas, soups and cold brew beverages. Over at the Recreation Complex, construction will soon begin on the new Level 2 co-working space that will offer members a beautiful, conducive alternative to work remotely, collaborate and network by 1Q 2022.

Finally, it would be remiss of me not to acknowledge the three members of our club who have recently brought great pride to the CSC family by representing our little red dot at the international sporting arena – Honorary member/Olympian Joseph Schooling at the Tokyo Olympics 2020; member/ex-Olympian Mark Chay, who coached Yip Pin Xiu to her double gold win at the Tokyo Paralympics 2020; and Honorary member/Singapore's rising pool star Aloysius Yapp, for his commendable performances at the WPA World Ten-Ball Championship and the 2021 U.S. Open Pool Championship. We are so proud to count among our community these individuals – who in many aspects epitomise the pinnacles of sporting excellence in their respective fields – and hope their achievements will be sources of inspiration for our young athletes and also for our members to rally behind.

Wishing you and your family a safe and happy Christmas and a blessed New Year. May your holidays be filled with peace and joy, and I look forward to seeing you at the Club soon.

Vice President (General)

KEEPING OUR MEMBERS AND STAFF SAFE

In line with Covid-19 safety regulations, the Club has since September implemented mandatory supervised swab testing for frontline staff including F&B personnel, swim coaches, fitness instructors and technicians. Since then, we have expanded the weekly testing regime to cover all staff across the facilities, housekeeping and sports administrative departments.

40 team members were also nominated to attend our in-house virtual Safe Distancing Ambassador (SDA) training. Recognisable by their red tags, our SDAs will play a key role in helping the Club to uphold safe management measures on-premises. Please give your full co-operation when you are approached by any one of them.

While the pandemic has altered and challenged our social norms, we can take comfort in the fact that these measures will protect our loved ones and the wider community. Stay safe!

2022 STAFF HONG BAO FUND

At CSC, we recognise that it takes the combined efforts of everyone on our staff team to deliver the overall experience that members are accustomed to enjoying at the Club – whether it's the warm and personalised service, the spotless club facilities, or the innumerable programs and activities that ensure our members continue to derive value from their memberships.

In line with the Lunar New Year tradition of presenting red packets to loved ones, we invite our members to contribute to the 2022 Staff Hong Bao Fund, which will be distributed to all front and back-of-house staff in time for the Lunar New Year celebrations. While the token amount may be nominal, this small gesture contributes significantly to the Club's efforts to acknowledge and show our appreciation for the year of hard work put in by our dedicated team members.

The voluntary contribution of \$10 per account will be debited to members' December statements, with no further action required. Members who wish to contribute more or opt out may do so via the reply slips accompanying their November statements by 31 December 2021.

We thank you for your generosity!

MEMBER SPOTLIGHT

ALOYSIUS YAPP

Did you know that billiards was the first sport to have a world championship in 1873? It's come a long way since then, and while pool remains popular in Singapore for socialising, leisure and friendly competition, it's less commonly taken up as a professional career. But for this homegrown 25-year-old, pool is much more than a game – he plays it for a shot at being the best.

Meet CSC Honorary member Aloysius Yapp, Singapore's first professional pool player, and among the world's best younger players looking set to take the international stage of billiards by storm.

First discovering his love for pool at the age of eight, Aloysius made the unconventional but brave decision to drop out of school at 14 to focus on the sport full-time. At the tender age of 16, he had already established himself as a force to be reckoned with by winning the 2014 World Junior 9-Ball Championships in Shanghai, making history as the first Singaporean to claim a world title in pool.

Fast forward to today, Aloysius has once again done Singapore proud by blazing his way up the global ladder in prestigious tournaments constituting his US tour, outperforming pool heavyweights the likes of Fedor Gorst, Billy Thorpe and Joshua Filler. His recent feats have propelled him up to number 2 in the World Pool-Billiard Association (WPA) rankings – the highest ever for a Singaporean – proving that age is but a number.

Keep flying our national flag high, Aloysius!

ON THE RISE

- Kickstarting his US tour at the **World 10-Ball Championship** in Las Vegas from 6 to 10 September 2021, Aloysius beat world No. 3 Jayson Shaw of Scotland to place third overall in the competition, garnering the best performance by any Singaporean at a world meet in all pool iterations.
- He finished runner-up at the **US Open 9-Ball Championship** in Atlantic City on 15 September, defeating the world's top-ranked player American Shane van Boening and world no. 2 Joshua Filler of Germany enroute to the finals.
- On 25 September, Aloysius emerged victorious at the **CueSports International Michigan 10-Ball Open** in Battle Creek, Michigan – marking his first major international title win, and in the process securing himself a spot in the 2022 Predator World 10-Ball Championship in Las Vegas next March.

In between his jaunts at international pool halls, we get to know one of Singapore's rising sportsmen.

Who would you say is the most influential person(s) in your life?

My mom Angelina Tay; Cuesports Singapore Vice President / CSC Billiards & Snooker committee member and my long-time coach, Paul Pang; and my teammate, Toh Lian Han – have all played key roles in my journey and success.

Do you think people have any misconceptions about pool as a professional sport?

Yes, I suppose it's because of the perceived lack of physical movement in the game, but pool is a really different and unique type of sport. It's a mental sport that demands focus, precision and good technique, where your mental game needs to be in tip-top condition to enable you to play your best. Fitness is important too!

Tell us something about yourself that not many people know about.

I am a right hander, but I play pool with my left hand.

Any unforgettable memories at CSC you'd like to share?

I remember when I played my first National Snooker League with the Club when I was 14 years old. We came in first place that year and I will never forget the hard battles we had fought throughout the season to win the final league match in the Club – that was a special moment for me.

Photo credits: Aloysius Yapp Facebook page

What's next in sight for you personally and/or professionally?

I would love to win the gold medal at the World Championships, US Open, SEA and Asian Games, and lots more tournaments! And also be ranked world number one someday!

Any words of advice for our aspiring pool players at CSC?

Keep on fighting, train hard and never give up. The road to the top is a long and tough one, but when you succeed, it will all be worth it. Follow your dreams!

TRIVIA

The oldest pool player to win the WPA World 9-Ball championship to date is American Nick Varner (aged 51 at the time of his victory) and the youngest is Wu Jia-qing of China (aged 16 at the time of his victory) – just one of many factors demonstrating that pool is truly an all-inclusive sport that can be enjoyed by enthusiasts from all walks of life!

MEET OUR TEAM!

CSC has close to 150 staff working hard daily to ensure smooth-running operations at the Club. Get to know the friendly faces we call our work family and say hi to them the next time you drop by!

TAN LEE LEE

Lee Lee joined the Club in August 2021 as Head of Human Resources & Administration.

A veritable people-person, Lee Lee is a true employee advocate and enjoys seeing her colleagues grow and progress in their careers. She loves the beautiful clubhouse, great team and service-oriented culture at CSC, and aspires to create a Club where every staff feels valued and receives ample development opportunities. To her, a happy staff equals a happy member!

Before joining the Club, Lee Lee amassed over three decades of HR experience across the hospitality and private club industries. She has served as assessor for Spring Singapore's Business Excellence program, council member in the Singapore Human Resources Institute (SHRI), and sits on the assessment committee for the Institute for Human Resource Professionals (IHRP).

The proud mother of a son enjoys bowling, baking and travelling with her husband and family in her free time.

"Being in HR gives me the opportunity to positively impact the people I work with every day. If we don't look after our team, no one will."

HAO LIWEI

Coach Hao hails from Jiang Su Province, China, and joined the Club in October 2021 as Table Tennis Coach under the CSC-Jiawei Table Tennis Academy.

He picked up table tennis from the youthful age of eight, following a doctor's advice to begin training in the sport to improve his myopia! Near-sightedness may well have been a blessing – this racket fiend counts several China national championship titles under his belt and even ranked top 10 in his country in 2009.

He enjoys spending time with his students, relishing the sense of accomplishment he feels when he sees them improving day by day.

Prior to joining CSC, Coach Hao held table tennis coaching stints at Pei Hwa Primary – where he led the school team to two national championship victories in the under-12 category, as well as at Nanyang Primary and Nanyang Girls Secondary, the former of which achieved national championship title in 2021 under his guidance.

"I hope to bring my passion, skills, and love for table tennis to our players, and show that anyone can enjoy this sport as part of a healthy lifestyle."

SPORTS – POST-EVENT HIGHLIGHTS

BACK IN THE SWIM OF THINGS

We were as eager as our swimmers to dive back into the pools after a hiatus to activities following Phase 2 Heightened Alert. The CSC Time Trials on 7 September marked our first swimming event to resume post-restrictions, with 78 of our swimmers back in full competition mode. After 5 years of absence, our long-standing Single Age Group Meet also returned to the Club on 9 September, where 131 members strove for their best times in this selection meet for the Junior Interclub Swimming Championships. Thank you and well done to all participants!

PESTA SUKAN BADMINTON TOURNAMENT (21-29 AUG)

Our badminton members were in flying form at the Pesta Sukan 2021 Badminton Tournament, with Allan Kwek and Steven Teh finishing second in the Masters Men's Doubles (55 years and up), and Tan Shi Bin coming in second place in the Girls Singles (under 17).

FLEX HOME WORKOUT VIDEOS

Covid-induced restrictions and the subsequent closure of Club facilities did little to stop our Flex instructors from bringing the gym to our members! Our trainers combined technology with a little creativity so regulars could continue their fitness routines while cooped up at home.

EAST COAST FUN RUN (3 SEP) WORK THIS (14 SEP)

A shoutout to our fun runners, who set off on their breezy 4km course at East Coast Beach in our September meet!

Members were eager to resume their group workouts after a month-long suspension in our program following Heightened Alert measures. It was soul-invigorating to see seniors join in the sweat too!
