## A MESSAGE FROM THE VICE PRESIDENT

Dear Members

A very Happy New Year to you! I hope that you have all enjoyed the holiday break and are fully recharged for the brand-new year ahead.

2021 wasn't without its challenges, yet together we've worked hard to surmount them. As the Covid-19 pandemic continues to spread within our shores, I am grateful to our team for doing their utmost to maintain the many community get-together opportunities for members over the festive period. Even more so during these testing times, I wish to express my gratitude to all our members and staff who went beyond themselves to give back to society via the Joy Box and Swim for Hope charity initiatives.

On 1 February, we will welcome in the year of the Tiger. In Chinese culture, the Tiger symbolizes boldness and action, and we will be drawing inspiration from these characteristics to make our visions become reality in 2022. Indeed, we are in an exciting process of transformation as we look to further enhance the value of membership through the launch of new offerings and rolling out of new service standards at the Club.

This month, members can look forward to a new Grab & Go concept at Mingle@Amber, which will significantly enhance the F&B options at our popular café and provide more convenience for those looking for their next meal on the go. Man Zhu Café will also ring in the new year with a new menu featuring more healthy and vegetarian fare. With two new Indian chefs on board, our restaurant will be amping up its Indian cuisine selection to add to our already expansive menu – enjoy! In other exciting developments, the Club will unveil a new Co-working Space in March 2022. With everything from private offices, meeting rooms and dedicated phone booths to complimentary WIFI access and basic office services, this 3,300 sq ft facility will be a haven for everyone seeking a collaborative, remote-desking, and community working space all in one.

Lunar New Year is a time of reunion with loved ones. Over the next two months, we invite you and your family to partake in our slew of festive activities to usher in the Chinese spring festival – from luxurious CNY feasting and ever-popular Lohei to delightful new year goodies and complimentary workshops, you'll find something for everyone. Wine and whisky lovers will not be disappointed with our Double Happiness bottle deals, exclusively for The Tippling Masters members – enquire with our staff for more information!

Before ending off, let me take this opportunity to acknowledge a few members of our community:

- Sports member and national badminton player Loh Kean Yew, who has been blazing the courts and bringing pride to our country – most recently by trouncing world no. 1 and Olympic champion Viktor Axelsen at the BWF World Championships in Spain;
- Five of our swimmers – Jamie Koo, Ong Jung Yi, Mikkell Lee, Chan Zi Yi and Marina Chan, as well as our Swimming Head Coach Zhang Jianlan, who were selected to represent Team Singapore at the 15th FINA World Swimming Championships in Abu Dhabi. We will be rooting for them as they take on the global stage.

Thank you for your wonderful support, and I wish you the best for this new year as you harness the energy of the Tiger and all the enthusiasm it brings for a happy and successful 2022.

Xin Nian Kuai Le!

# Valentine's Raspberry & White Chocolate Cake

A luscious heart-shaped cake may say 'I love you', but the ultimate declaration of love is presenting your sweetheart with one you baked from scratch! This Valentine's, butter up that special someone with an impressively delicious yet easy-to-make Raspberry & White Chocolate Cake, inspired by our very own Pastry Chef Dylan Ou.

Dylan has been with the CSC pastry team since July 2021. Prior to this, the Malaysian-born chef cultivated over a decade of experience in professional baking – and his skills certainly show for it! (Pick up his signature Durian Cake or Valrhona Chocolate Cake from Man Zhu Café and you'd be hard-pressed to disagree.) You'll catch Dylan tending to his colourful confections behind the pastry counter at Man Zhu Café – don't hesitate to tip your hat when you see him.

### Raspberry Jam

- 100g raspberry puree
- 25g sugar
- 2 tsp lemon juice

1. Combine all ingredients in a small pot and cook for 5 minutes over medium heat. Sift the mixture and let cool.

### Almond Sponge

- 80g cake flour
- 40g almond flour
- 4 eggs
- 120g sugar
- 40g melted butter

1. Pre-heat oven to 190°C. Sift cake and almond flours together.
2. Beat the eggs and sugar until the mixture turns pale, then add the sifted flour and combine well. Add melted butter to the mixture and stir well.
3. Line a baking pan with paper, pour the cake batter in and bake flat at 190°C for about 10 minutes. Rotate the pan and bake for another 5 minutes.
4. After the sponge is baked, use a small mould (about 4 inches wide) to cut out the base of your cake.
5. From the remaining sponge, cut out two pieces measuring about 5cm x 30cm each. Brush the tops of both pieces with the raspberry jam, then stack the two layers and place in the chiller to cool.
6. Once cooled, remove from chiller and cut the stack into 0.5cm-wide fingers. Carefully arrange the fingers around the sides of a larger mould (about 6 inches). Place the cake base on the bottom.

**Chef's tip:** You can choose any shape of mould for your cake. Dylan uses a small heart-shaped mould for the cake base, and a larger heart-shaped mould for the outer lining.

### White Chocolate Mousse

- 50g cream
- 45g milk
- 2g vanilla extract
- 80g Valrhona white chocolate
- 1 sheet gelatine
- 100g whipping cream

1. Boil the cream and milk, add vanilla extract, then add the white chocolate to the mixture and stir until melted.
2. Add the gelatine, stir, and let cool slightly, then add the whipping cream.
3. Pour the mixture into the smaller mould and freeze.

### Raspberry Mousse

- 220g raspberry puree
- 60g sugar
- 4 sheets gelatine
- 220g whipping cream

1. Heat the raspberry puree and sugar. Add the gelatine and mix well, then add the whipping cream to combine.
2. Pour half of the raspberry mousse into the larger cake-lined mould. Place the frozen white chocolate mousse in the middle, then top with the remaining raspberry mousse and smooth out.

### Raspberry Mirror

- 75g raspberry puree
- 20g sugar
- 25g water
- 40g glucose
- 2 sheets gelatine

1. Heat raspberry puree, sugar, water and glucose, then add the gelatine and mix well. Let cool slightly, then layer the mixture on top of the raspberry mousse.

# CNY CLUB CLOSURE

Please note that the Club will be closed on **Monday, 31 January 2022** and **Tuesday, 1 February 2022** for the Chinese New Year holidays. We wish you a Happy and Prosperous Lunar New Year!

## SERVICE EXCELLENCE AT CSC

As part of our efforts to elevate service standards and foster a culture of service excellence at the Club, we have partnered with Service Quality Centre since late 2021 to roll out a series of service training courses for staff.

Centred on inculcating the right mindsets, building practical skills, and imparting best-in-class practices for delivering exceptional customer service, the workshops aim to grow our team's ability to build positive customer relationships and consistently exceed customer expectations, ultimately with the view of enhancing the overall member and guest experience at CSC.

The series kickstarted with a session on 10 November for the management team and senior executives to clarify how the Club's core values of Excellence, Care, Professionalism and Progress can translate into service actions that define the CSC service philosophy.

## SPORT RESILIENCE GRANT

Over the course of the pandemic, the partial lockdown and enforcement of strict safe management measures significantly affected organizations in the sport and fitness industry, many of which were unable to continue regular operations and services. In October 2020, the Ministry of Culture, Community and Youth unveiled a \$50 million Sport Resilience Package (SRP) aimed at helping critical establishments in the sector cope with the effects of Covid-19.

The Club's application for the SRP was approved in April 2021. A total of \$180,000 in grants was disbursed across four tranches, helping to lessen the financial impact of the pandemic due to Club closure, capacity limits on facilities and training programmes, and suspension of gym and fitness activities during the Phase 2 (Heightened Alert) period. More importantly, this financial relief enabled us to safeguard the jobs of our staff while continuing to run Club facilities without compromising on service standards to members.

# GIVING BACK

As the clarion call sounded globally for greater humanitarianism amidst the Covid-19 pandemic, CSC members and staff banded together in support of meaningful causes to uplift the underprivileged community.

## JOY BOX

During the year end festive season, the Club collaborated with Tampines-Changkat Community Club to bring yuletide cheer to vulnerable senior citizens. Over three weeks, our members and staff put together 30 gift boxes for elderly persons bereft not just of human relations, but of any opportunity to experience the joy of Christmas.

Each joy box was thoughtfully assembled with household items deemed useful for its recipient. Comprising blankets, thermal flasks, bed linen, and more, the packages went beyond being mere gifts – they were reminders to the beneficiaries that there were others who cared for them.

On 9 December, Mayor of North-East District and Member of Parliament for Tampines-Changkat Constituency Desmond Choo visited the Club to receive the joy boxes on behalf of the beneficiaries. We would like to thank our following members for their generous support of and participation in this initiative!

Kristy Fong Min-Ling	Loh Suat Hui	Tan Bin Ling
Dick Lee Yak Whatt	Justin Ng Cher Kern	Teo Su Chern
Lim Li Li	Soong Yi Ling	Jo-Anne Yeo

## SWIM FOR HOPE

In conjunction with SAFRA and the Singapore Swimming Association, the Club was pleased to support the 2021 edition of the Liberty SAFRA Swim for Hope in aid of the less fortunate.

45 of our members took the plunge for charity by taking on swim challenges and pledging donations to Swim for Hope and Apex Harmony Lodge – an integrated dementia care association and the Club's nominated beneficiary for the event.

On 11 December, 32 CSC swimmers completed their final laps at our pool with big splashes and bigger hearts. Through a combined effort, the CSC team clocked an impressive swim distance of 1,877km over the month-long fundraiser (the highest among all participating organizations). On the same day, the cumulative proceeds from all event donors amounting to \$257,892.43 was conferred at the Swim for Hope cheque presentation ceremony at SAFRA Toa Payoh.

Our heartfelt gratitude to all members who stepped up to the plate with their resources and dedication, and for proving that one need not be an Olympic swimmer to make a huge difference!

ATHLETE  
TURNED ADVOCATE:  
**MARK  
CHAY**

Photo credits: ST File

***Few athletes have made the transition from the world of sports to that of business, let alone politics. Those who have taken to the fields invariably prove their mettle and display great ideologies – and Mark Chay is no exception.***

The former Olympic swimmer, entrepreneur, and esteemed CSC member has excelled on and off the sporting field, most recently being appointed as Nominated Member of Parliament to represent the views of the sports fraternity in government. Despite having reached these lofty heights, he hasn't forgotten what it took to get him there.

#### **GROWING WITH THE CLUB**

Mark first became acquainted with CSC at age four, when he joined his siblings in the Club's swim training program. His parents Chay Yee and Jenny Gan had been members for a long time. He recounts fond memories of growing up within the Club compound and harbours vivid images of the pool, wooden planks, and diving arena, all of which have since been revamped.

His initial years of training as a professional swimmer took place in the Club under the guidance of several coaches, who not only motivated him to excel but left a deep impression on him. One of them was Kee Soon Bee. Under Kee's tutelage, Mark

eventually proceeded to international glory, making his Olympic debut in 2000 where he set a national record for the 200m freestyle event. His illustrious swimming career spanned two Olympics, five SEA Games, two Asian Games and two Commonwealth Games, during which he clinched multiple medals for Singapore. For his impact on the sporting community, Mark was awarded the Singapore 'Sportsboy of the Year' and 'Sportsman of the Year' awards in 2001 and 2002.

### LIFELONG ADVOCATE

After retiring from competitive swimming in 2007, Mark's passion for sports remained intact. His devotion to the genre and instinct for advocacy formed the basis of his eventual pursuits, and he continues to be a prominent and vocal figure in the sporting arena.

As current Chairman of the Singapore National Olympic Council Athletes Commission, he is actively engaged in providing support, training, and leadership to assist local athletes in achieving their potentials. "As someone who's been in their shoes, the athletes I represent can benefit from my experience," he says. "My goal is to ensure that they feel seen and heard and are aware of what resources are available to them."

### PASSING THE BATON

In 2019, Mark rose to the challenge of empowering disadvantaged athletes by accepting the post of national coach to the Singapore Disability Sports Council's para-swimming team.

He concedes that learning to coach goes well beyond a "job", and that the demands of the trade sit on an entirely different level in today's context – coaches not only have to motivate and train athletes, but are also charged with an athlete's psychology, nutrition, sports education, and

confidence. Many a time, they are required to play confidantes.

Despite the inexorable requirements, his achievements long after leaving the competitive pool are testament to his tenacity, most recently evidenced by his protégé Yip Pin Xiu's double gold win for Singapore at the 2021 Tokyo Paralympics. To Mark, coaching is a passion and a calling. He fondly recalls his own coaches who pushed him to give his best in life.

### VOICE OF SOCIAL CHANGE

Against the backdrop of social isolation, emerging mental health issues, and the plight of the local sports and fitness industry precipitated by Covid-19, Mark joins Singapore's parliament as a beacon of hope.

Having played diverse roles throughout his professional life – from athlete and administrator to business owner and coach – he hopes to address the current issues of concern from different perspectives and via a holistic approach. But with the essence of a true sportsman deeply embedded in his psyche, he seeks to rally the nation through sports to bring about social change in the face of adversity. According to him, the discipline of hard work and focus that one garners through sports is crucial to developing the resilience to push through these tough times.

Additionally, Mark hopes to begin shaping the narrative that sports can be an instrument for nation building. He believes that the fundamental characteristics imparted by sports, such as motivation and the ability to learn from setbacks, are essential attributes that can help shape social cohesion.

### HOMAGE

Thirty-five years since he first stepped into CSC, Mark's integral involvement with the Club continues. He has served on the Management Committee and now sits on the Swimming Sub-Committee, where he plays a big part in efforts to elevate CSC's swim training curricula and translate his vision for the program.

A proud member, Mark notes how the Club has always stood at the forefront of Singapore's sporting scene by grooming and producing some of the best talent in the country. "It's an honour to be associated with the Chinese Swimming Club from such close quarters," he says, "not just for its promotion and advancement of sports, but also for its heritage of excellence."

# MEET OUR TEAM!

CSC has close to 140 staff working hard daily to ensure smooth-running operations at the Club. Get to know the friendly faces we call our work family and say hi to them the next time you drop by!

## JOEY TAN

Joey joined the Club in September 2021 as Assistant Swimming Manager.

In his role, he not only manages CSC's comprehensive swim training program (no mean feat with its 900 enrollees!), he also works closely with Committees and management to organize and structure community programs with the aim of elevating the Club's swimming standards to the next level.

Joey describes himself as an optimistic, cheerful, and easy-going person who loves to bring joy and laughter to everyone he encounters. He hopes to inject his brand of good humour into the Club's swimming community, showing that the sport can be enjoyed in a competitive yet fun and healthy way.

Prior to entering swim management in 2013, Joey spent almost a decade in the banking industry. It's no surprise that he finds himself in his element in many environments – this sportive 42-year-old loves the outdoors and is game to try anything new. But for all his exuberance, Joey truly harbours a heart of gold. A long-time volunteer at Hougang Community Club, he spends his free time doing social work and coaching disadvantaged youths in sports and games.

## JACKLYN ONG

Jacklyn joined the CSC family in September 2021 as Marketing & Communications Manager.

No stranger to the club industry, she brings 16 years of varied Marcoms experience spanning the gamut of branding, campaign conceptualisation, client engagement and comms management in the digital and offline spheres. She likens working in the field to creative artistry – where the power of word choice can make or break a brand – and is determined to tease out the meaningful narrative behind every person, product, or service.

What keeps her going? The variety in her work means there's never a typical day or week, and keeping up with all the developments in the ever-evolving field of Marketing is a welcome challenge and one that continues to push her. She is especially excited about the Club's ambition for digital transformation.

Jacklyn is an avid reader, animal lover, and adventure seeker who's equally comfortable skydiving off the next plane as she is being a homebody with a classic fiction in hand. Outside of work, she is usually planning her next big trip (pre-pandemic, that is). The one mantra she lives by: "Keep an open mind and never stop learning."

# SANKAR SIVAKKUMAR & GAURI CHADAYAN

Sivakumar (Junior Sous Chef) and Gauri (Cook) joined our Man Zhu Café kitchen team in November 2021.

**Siva** hails from Tamil Nadu in Southern India, home of Chennai and famed for its temples, architecture, and food. For the soft-spoken and affable culinarian, passion for cooking runs in the family – with both a sister and cousin working as chefs, it's little wonder he spent a good 20 years in the restaurant business before migrating to Singapore in 2017.

The father of two enjoys playing cricket as much as he loves making people happy through his food – and while he does a spectacular job of the latter, he reckons that great things never come from comfort zones. He is thus ever striving to better his cooking techniques and outdo his last dish. Given plenty of opportunity to do just that in the Man Zhu kitchen, Siva doesn't hold back in expressing appreciation for his supportive comrades.

To Siva, the heavy doses of spicy, sour, and sweet flavours form the pillars of what makes Indian cuisine taste so good to so many (himself included!). If he had to pick one dish to eat for the rest of his life? It'd be *Thayir Sadam* (yogurt rice), a South Indian classic and comforting staple he grew up with.

**Gauri** has always loved good food. The Seremban-born Malaysian was introduced to cooking at an early age, spending much time with her mother in the kitchen. This instilled in her a love for conceiving brilliant food, something she fulfilled by starting and managing her own restaurant in Malaysia for 15 years. She has made Singapore home in the last decade since.

As more than a few will know, Gauri is not a new face to CSC. Prior to re-joining in November, she ran the Indian section of Man Zhu Café for three years before breaking for personal reasons. She attributes her "wonderful colleagues" as spurring her decision to return to the Club.

Gauri is a proud mom of three, and even prouder that her cooking never fails to elicit the thumbs up from her satisfied guests. She spends her free time watching other chefs ply their trade on YouTube so that she can always bring fresh meal ideas to the table. While the dishes she enjoys cooking celebrate the diversity of food from her background, her secret recipe *Dum Biryani* trumps all else.

From January 2022, Man Zhu Café's Indian menu will be expanded to include over 10 new items! Both Siva and Gauri will be introducing their very own takes on popular Indian classics such as *Mutton Biryani*, *Malabar Fish Curry*, *Aloo Gobi Masala* and *Palek Paneer*.

**Clockwise from bottom:** Mutton Biryani, Prawn Masala, Butter Chicken, Yellow Dal Tadka

## 9TH SINGAPORE NATIONAL SWIMMING CHAMPIONSHIPS

### SHORT COURSE METRES (25-28 NOV)

25 of our swimmers represented CSC at the 9th Singapore National Swimming Championships which took place at the OCBC Aquatic Centre in November. Despite pandemic-induced training disruptions leading up to this major event, our team passed with flying colours and handed out impressive results over the course of the four days.

In a meet-breaking record, five of our swimmers – Jamie Koo, Ong Jung Yi, Mikkel Lee, Chan Zi Yi and Marina Chan – achieved the required B-standard qualification times to represent Singapore at the 15th FINA World Swimming Championships (25m) 2021 finale event in Abu Dhabi from 16 to 21 December. Our Head Coach Zhang Jianlan was also invited by the Singapore Swimming Association to be part of the Singapore coaching panel and travelling contingent for the World Cup event for placing an impressive number of B cut swimmers during the meet. Our heartiest congratulations to the team!

A special shout out to Ong Jung Yi, who broke the record in the Men's 200m Butterfly National Short Course with a time of 1:56.42 – beating the previous record of 1:57.83 set by Quah Zheng Wen in 2015.
