Famille Perrin Ventoux Rouge 2021

Tasting Notes: Pretty crimson-red colour. Right from the nose, this wine is expressive with notes of red fruit and cinnamon. Its fresh and smooth palate reveals aromas of strawberries and very supple tannins. Definitely a gourmet wine.

Famille Perrin Luberon Blanc 2021

Tasting Notes: Elegant pale-yellow colour with green reflections. This wine reveals a delicate nose with aromas of peaches and limes. Round and fruity, the palate is well-balanced, with a nice finish on citrus notes.
