A MESSAGE FROM THE PRESIDENT

Dear Members,

As we round off the first half of 2025 with this issue of Freestyle, there is much that the club has achieved in the first six months. But we have no time to look back.

Unlike in football, the CSC leadership and management do not get to enjoy halftime. Going into the second half, a lot of work awaits as we strive to make CSC a sports and social club for members to enjoy.

One major activity is the \$9 million upgrading of the recreation complex, which was approved by members at the last AGM in 2023. Even as we speak, the recreation complex project upgrading committee, together with management and consultants, is working tirelessly to achieve a new complex within budget, even as they tackle challenges in complying with new building and fire safety codes.

The project is slated to start in the 3rd quarter of 2025, and members can expect to enjoy a brand new recreation complex by the end of the 2nd quarter of 2026.

We will update members and present the design concepts at the coming 110th AGM on Sunday, 27 April 2025. I encourage you to attend the AGM to learn more about the project and to share any meaningful and constructive feedback to help guide the club's plans.

I have the privilege of sitting in on meetings of the project upgrading committee led by Mr Michael Leong, Chairman of the Project Upgrading Committee. Please join me to express our appreciation to the committee made up of four volunteers, each of whom is sacrificing their personal time to ensure the success of the project.

Next up: the SG60 celebrations that everyone in Singapore is talking about. This is the nation's biggest event of the year, and members can look forward to a

host of club activities throughout 2025 to commemorate our sunny island-state's 60th birthday. We will announce more details soon.

In the area of going green, a few of you may have noticed that we have replaced conventional lighting with LED in many parts of the club. This is an ongoing effort and has cost us \$8,000 to date. We recognise that this is a small step, but for the club, it is an important incremental move that we need to make for a sustainable future. Going green is neither cheap nor easy, and the club has to balance implementing green measures with the investment costs involved. Nevertheless, we are committed to doing our part for the greater good.

Ending on a sporting note, we want to acknowledge the ongoing efforts of our swimmers, who are all training very hard to represent Singapore at the 47th Southeast Asian Age Group Games and the World Aquatics Championships that will be held in Singapore. We wish them all the best and look forward to seeing them don national colours.

I wish you good times at the club always.

Warm regards,

Victor Chia
President
Chinese Swimming Club

Spring Festival 2025

On 8 February, members and their families gathered at the Club to usher in the Year of the Snake with our annual Spring Festival celebration. The event commenced with the dragon dance performance, and the highly anticipated and exhilarating lion dance high pole performance and "cai qing" by the Jin Ann Sports Association. The performances were accompanied by the rhythmic beats of drums and the vibrant energy of the performers. Following this were the Snake Fist and wushu performances by our talented wushu class students and instructors from Wan Wu Sports and Martial Arts Academy.

Our members participated in engaging activities, such as challenging themselves at the reaction baton game booth and painting blessings on traditional Chinese red paper at our craft station. They savoured snacks like Nian Gao waffles, candied fruits (tanghulu), and fortune cookies and received blessings and mandarin oranges from the God of Fortune.

Thank you to everyone who joined us in celebrating this joyous occasion. May the Year of the Snake bring you prosperity, happiness, and good fortune!

CSC Sports Camp

After a five-year hiatus since the last edition in 2019, CSC Sports Camp returned with a bang on 26 to 29 November 2024, and what an incredible experience it was! Our young athletes gave their all across various sports, from smashing shuttlecocks in badminton and scoring hoops in basketball to striking pins in bowling and making precise passes in flippa ball.

The camp also showcased agility in squash, speed in table tennis, and discipline in taekwondo. The energy, laughter, and sportsmanship were truly inspiring and made the event unforgettable.

We are proud of every camper who participated and helped make this experience one for the books. Let's keep the spirit of sportsmanship alive!
